Sponsored by:

Sargent Welch at [www.sargentwelch.com/biotech](http://www.sargentwelch.com/biotech)

EMC Paradigm Publishing at [www.emcp.com/biotech](http://www.emcp.com/biotech)

Monday-Tues July 9-10, 2012 8:30 AM - 4:30 PM  
San Mateo Biotechnology Training Center  
506 N. Delaware St., San Mateo, CA 94401

Followed by AAFS Forensic Science Education Conference July 11-13

To register for "DNA is the Show...": email Ellyn at  
[ellyn@BiotechEd.com](mailto:ellyn@BiotechEd.com) by 6/15/11

with your name and contact info (name, school, address, phone, email)

This SMBCP workshop includes

**Project: rAmylase** Labs 5f, 6c, 7f-g, 8b, 8c, and 13h  
Plus new fast horizontal and vertical gels

The San Mateo Biotechnology Careers Pathway (SMBCP) is one attempt to increase science literacy and preparedness for employment and higher-level academics in biotechnology. Since 1994, our industry partners and educators have been preparing teenagers and adults to work in biotech research and manufacturing facilities.
