

ExampleBiotechEquipSu#45657.xls

Please consider making a donation of one or more of the items below.	
These are used directly by the Biotech students.	
Thank you in advance. James Ikeda and Ellyn Daugherty	
crushed ice machine !!!! or donations toward one	lab matting
balances	vinyl/latex gloves (particularly large ones)
analytical balance(s)	colored labeling tape
electronic balances	cotton and sterile swabs
microcentrifuges	Ziploc® bags !
lab top standard centrifuges	misc. office supplies
large tube centrifuge	- black and blue sharpie pens
pH meter(s)	- envelopes/copy paper
vacuum pumps	- scissors
spectrophotometers (electronic preferred)	- rulers
vertical gel boxes	- "magic tape"
micropipets	- overhead transparencies/overhead pens
pipets/pipette pumps (pink, green, blue)	blank video tapes
NOVEX gels (Tris-glycine, TBE, TBU)	saran wrap/aluminum foil
orbital stirrers	silverware
shaking water baths	serrated knives
incubation ovens	cheesecloth
UV light sterilizer	batteries
grow lights	polyprep columns
white light transilluminators	squirt bottles
UV light transilluminators	ice chest/coolers
dialysis tubing	potting soil
spatulas, scoops	plant fertilizer (eg. Osmocote)
razor blades	plastic pots/trays for plant cuttings
glucose test strips	
24, 48, 96 well plates	Various chemicals/reagents/biologicals/media
disposable petri plates	\$\$ for SM Biotech Scholarship fund
disposable filterware	
falcon tubes of all sizes	
roller bottles of all types	\$\$ for purchasing expendible reagents
disposable, plastic pipettes	
pH paper of all types	Checks made out to SM Biotech :-)
glassware of all kinds (beakers, flasks, grad. cyl)	
alconox or other glassware cleaner	Much appreciation !
weigh paper, weighboats, scoops	
plastic trays, dishes	
gel staining supplies	James Ikeda
funnels	Ellyn Daugherty
safety goggles	Biotechnology Instructor
legal, scientific notebooks	San Mateo High School
autoclave bags	jiked@smuhsd.k12.ca.us
concentrators	AEE Daugherty@aol.com
